

## Colorado's Boulder County Selects Tyler Technologies' Local Government Solution

*County signs agreement for Tyler's Eagle solution*

**DALLAS – Aug. 29, 2012** – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with Boulder County, Colo., to implement Tyler's [Eagle](#) local government software solution. The county selected multiple integrated Eagle applications including [Eagle Treasurer](#) and Eagle Web for public access to data. The agreement includes related professional services, training and support.

Boulder County has about 295,000 residents and is home to the city of Boulder. The county generates approximately 125,000 tax notices and 250,000 property tax payments per year.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
