

## County in Ohio Selects Tyler Technologies' ERP Solution

*Butler County chooses Tyler's Munis® enterprise resource planning solution*

**DALLAS – Oct. 3, 2012** – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Ohio's Butler County to provide Tyler's Munis® [enterprise resource planning](#) solution to increase efficiencies. The agreement includes related professional services, training and support.

Butler County, located in the suburban Cincinnati area, selected multiple applications from Tyler's Munis suite, including financial management, human capital management, employee and vendor self service, and content management.

Butler County's population is approximately 370,000 and the county also uses [Tyler Verify](#) for street-level imaging and data verification services.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 10,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. *Forbes* has named Tyler one of "America's Best Small Companies" four times in the last five years. More information about Dallas-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
