

Tyler Technologies Hosts Investor Session at Connect 2013

DALLAS – April 17, 2013 – Tyler Technologies, Inc. (NYSE: TYL) will host an investor session at its annual client conference, Tyler Connect 2013, April 28 through May 1, at the Hynes Convention Center in Boston.

Executive management will host a session specifically for investors and analysts on Monday, April 29, from 10:30 a.m. to 1:30 p.m. EDT. Leaders from each Tyler business unit will give brief strategic overviews of Tyler’s products and services, followed by a roundtable Q&A session with members of Tyler’s corporate and senior management teams and a client panel. The live webcast of this presentation, as well as an archived replay, can be accessed at www.tylertech.com.

“We look forward to hosting members of the investment community during Connect 2013,” said John S. Marr Jr., Tyler’s president and CEO. “Our annual client conference is a great platform for showcasing the breadth of our product offerings while providing greater insight into our company.”

More information on Connect 2013 is available at: <http://www.tylertech.com/connect2013>.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. Forbes has named Tyler one of “America’s Best Small Companies” five times in the last six years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
