

Tyler Technologies Announces Winners of the 2013 Tyler Public Sector Excellence Awards for Local Government Division

Texas municipalities recognized at Tyler Connect 2013 for excellence in using Tyler's Incode® solution

DALLAS – May 15, 2013 – Tyler Technologies, Inc. (NYSE: TYL) today announced the recipients of its 2013 Tyler Public Sector Excellence Awards for its Incode® [integrated local government](#) solution.

Tyler's [Incode](#) 2013 Excellence Award winners are the Conroe Municipal Court, in Conroe, Texas, and the Utility Customer Services department for the City of Brenham, Texas. Conroe Municipal Court received the award for its use of Tyler's document imaging and online credit card payment processing systems to save clerks' time and the court money through increased staff efficiencies. Brenham was awarded for its use of Incode to improve customer service and utility payment processing.

Award submissions were evaluated by a panel of Tyler leadership. Entries were judged on business value, maturity, innovation and relevance to other public sector organizations. Additional criteria met by award winners include:

- Creating a unique process that utilizes a Tyler application
- Realizing significant savings after implementing a Tyler product
- Increasing staff productivity by implementing a Tyler product
- Empowering employees, citizens or vendors

"Tyler's Public Sector Excellence Awards program is our chance to publicly recognize clients like Conroe Municipal Court and the City of Brenham for embracing our technology and expertise to meet their needs while creating value for taxpayers by improving operating and financial performance," said Brett Cate, president of Tyler's Local Government Division. "Feedback from our most innovative clients further enhances the power of Tyler product suites, and we're proud to offer a forum like Tyler Connect where our clients can share real-world successes with their peers. Congratulations to all the winners of Tyler's Excellence Awards."

Both Incode Tyler Excellence Award winners were honored Monday, April 29, at the Tyler Connect 2013 user conference in Boston where they were presented with the award and given the opportunity to share their best practices and lessons learned with their public sector peers. Winners were also offered an expense paid trip for one to the conference.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. Forbes has named Tyler one of "America's Best Small Companies" five times in the last six years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
