

Parker County, Texas, to Use Tyler Technologies’ Integrated SaaS Court Solution

County signs 5-year SaaS agreement for Tyler’s Odyssey® court case management solution

DALLAS – May 21, 2013 – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with Parker County, Texas, to implement Tyler’s [Odyssey®](#) court case management solution under a 5-year [software as a service](#) (SaaS) agreement. Odyssey Online™ will help the county modernize its case management processes with a low upfront investment while still maintaining the security of its data. The agreement includes related professional services, training and support.

The county selected a wide array of Odyssey applications including case management, financial management and electronic filing (e-filing) for attorneys. Parker County is part of the Dallas-Fort Worth metroplex and has a population of approximately 117,000.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean and the United Kingdom. Forbes has named Tyler one of “America’s Best Small Companies” five times in the last six years. More information about Dallas-based Tyler Technologies can be found at www.tylertech.com.
