

Tyler Technologies Named to CRN's 2014 Solution Provider 500 List

Annual list ranks top technology integrators

PLANO, Texas – June 10, 2014 – Tyler Technologies, Inc. (NYSE: TYL) today announced it has been named to the 2014 Solution Provider 500 (SP500) list by The Channel Company's [CRN](#). The list ranks the top revenue-generating technology integrators in the U.S. and Canada whose forward-thinking approach has helped them evolve and thrive in today's cloud and services-driven IT era. The list spans eight categories from hardware and software sales, to managed IT services. Tyler Technologies placed 63rd in the annual ranking, its highest ranking since first appearing on the list in 2003.

Revenue is determined by annual products and services sold over the course of 2013. Companies with no public documentation were required to submit a notarized affidavit attesting to their 2013 revenue.

"We are honored to be recognized for the 11th straight year by The Channel Company as a top technology provider in the U.S. and Canada," said John S. Marr Jr., president and chief executive officer of Tyler Technologies. "We are committed to serving the needs of the public sector with software and services that make government work more efficiently. We look forward to continued growth serving this important market."

"The annual Solution Provider 500 represents those companies that truly understand the needs of customers today as the IT landscape evolves," said Robert Faletta, CEO, The Channel Company. "With so many options, this list has become an invaluable resource for vendors working hard to navigate the solution provider community and identify the best partner for their business. We congratulate the featured solution providers and look forward to covering their continued success."

A sampling of the 2014 SP500 list is featured in the June issue of CRN Magazine and is featured online at www.crn.com and in the CRN Tech News app, available for [iPad®](#) and [Windows 8](#).
