

## Wichita Falls, Texas, Selects ERP and Court Solutions from Tyler Technologies

*City chooses Tyler's Munis ERP and Incode court case management software suites*

**PLANO, Texas – July 10, 2014** – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with the city of Wichita Falls, Texas, to implement Tyler's [Munis](#)® enterprise resource planning (ERP) and [Incode](#)® court case management software solutions. Both solutions will help Wichita Falls facilitate a paperless environment and streamline current processes and procedures.

Wichita Falls selected Tyler's Incode court case management solution and multiple Munis applications, including utility billing, accounts receivable and citizen self-service to provide customers with Web-based access to municipal services and information.

Wichita Falls is 15 miles south of the Oklahoma border and has a population of approximately 105,000.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. Forbes has named Tyler one of "America's Best Small Companies" seven times and the company has been included four times on the Barron's 400 Index, a measure of the most promising companies in America. More information about Plano-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
