

Tyler Technologies Joins Microsoft Dynamics AX User Group As Premium Member

PLANO, Texas – Oct. 17, 2014 – Tyler Technologies, Inc. (NYSE: TYL) today announced that it has become a Premium Partner member of the prestigious Dynamics AX User Group (AXUG®).

AXUG is an independent group of Microsoft Dynamics® AX software users, partners, industry experts and representatives of Microsoft Corp. AXUG is recognized by Microsoft as the official user group for its Dynamics AX business software. Tyler Technologies' participation in AXUG demonstrates its commitment to the [Microsoft Dynamics AX](#) community and provides the organization with new ways to share its expertise.

“Our unique co-development role for Microsoft Dynamics AX’s public sector functionality, along with Tyler’s decades of delivering transformational ERP projects, means we have significant insight to offer other Dynamics AX partners,” said Adam Sharp, director of business development for Tyler’s ERP & School Division. “We’re excited to join AXUG as we are in a unique position to assist today’s businesses to thrive by realizing the many benefits of Dynamics AX.”

“Our Premium Partner members are an integral part of the AXUG community. They bring innovative solutions, strategies and expertise to the group, which is of immense value to our members,” said AXUG Director Frank Vukovits. “AXUG will work hand in hand with Tyler Technologies to increase the value of the community by offering Dynamics AX users many useful benefits. We’re pleased to welcome Tyler Technologies, and we look forward to their contributions to AXUG.”

About AXUG

The Dynamics AX User Group (AXUG) is an independent, user-driven organization that helps individuals and company members maximize the value they receive from Microsoft Dynamics AX. Members learn, network and share expertise through educational events, webinars, training courses, virtual collaborative meetings, regional networking opportunities and a vibrant online community. Established in 2004, AXUG is approximately 3,000 organizations strong, and dedicated to creating deep, intimate learning opportunities for our members.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. Forbes has named Tyler one of “America’s Best Small Companies” seven times and the company has been included four times on the Barron’s 400 Index, a measure of the most promising companies in America. More information about Plano-based Tyler Technologies can be found at www.tylertech.com.
