

## Ohio Police and Fire Pension Fund Selects Tyler Technologies to Implement the Microsoft Dynamics AX ERP Solution

*Public pension fund with over \$14 billion in assets chooses Tyler and Microsoft Dynamics to improve, integrate financial operations*

**PLANO, Texas – Nov. 14, 2014** – Tyler Technologies, Inc. (NYSE: TYL) has signed a contract with the Ohio Police and Fire Pension Fund to implement [Microsoft Dynamics® AX](#), an enterprise resource planning (ERP) solution with public sector functionality that Tyler Technologies jointly developed with Microsoft®. The contract includes related professional services, licensing, training and support.

The Ohio Police and Fire Pension Fund chose Tyler after a comprehensive review. Microsoft Dynamics is an advanced and integrated financial system that includes general ledger, procurement, accounts payable, accounts receivable and fixed-asset management.

For decades, Tyler has successfully developed, deployed and supported software solutions exclusively for the public sector. As part of the agreement between Tyler and Microsoft, Tyler is an authorized reseller of Microsoft Dynamics AX and delivers software support and other standard services.

The Ohio Police and Fire Pension Fund, based in Columbus, Ohio, includes more than 28,000 active police officers and firefighters, more than 18,000 retired members, and nearly 8,000 beneficiaries and survivors.
