

## Gwinnett County, Georgia, Signs Appraisal Services Contract with Tyler Technologies

*CLT Appraisal Services selected for county's annual assessment of commercial and industrial properties*

**PLANO, Texas – Jan. 21, 2015** – Tyler Technologies, Inc. (NYSE: TYL) has signed an agreement with Gwinnett County, Georgia, for Tyler's [CLT Appraisal Services](#)<sup>™</sup> to conduct the county's annual assessment work on commercial and industrial properties.

Gwinnett County selected Tyler's CLT Appraisal Services after a competitive request for proposal process. The county has a history of working with Tyler and selected them because of past successful partnerships, as well as CLT Appraisal Services' competitive pricing.

"There were multiple factors in choosing Tyler's CLT Appraisal Services, including our successful history of working with Tyler and the experience of the staff," said Gwinnett County Chief Appraiser and County Tax Administrator Steve Pruitt. "We are familiar with the reliable and cost-competitive services that Tyler provides and that gives us confidence in our investment in this project."

Tyler's CLT Appraisal Services — the country's only national mass appraisal services company — has appraised more than 30 million parcels across 46 states.

"CLT Appraisal Services have been providing Gwinnett County with annual assessment work for the past five years and we're pleased they chose us once again," said David J. Johnson, president of Tyler's CLT Appraisal Services. "The county's continued investment in Tyler's appraisal and tax solutions speaks to the value provided by our products and services, and to the professionalism and expertise of our staff."

Gwinnett County is located in the northeast portion of the metropolitan Atlanta area and has a population of about 859,000. The nearly \$30 billion gross assessed value of the tax digest of the county consists of 274,645 parcels of real property and 39,206 tangible personal property accounts.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler's client base includes more than 11,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. Forbes has named Tyler one of "America's Best Small Companies" eight times and the company has been included four times on the Barron's 400 Index, a measure of the most promising companies in America. More information about Plano-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
