

## Tyler Technologies Hosts Investor Session at Connect 2015

**PLANO, Texas – April 20, 2015** – Tyler Technologies, Inc. (NYSE: TYL) will host an investor and analyst session at its annual user conference, Connect 2015, in Atlanta.

Executive management will host a session specifically for investors and analysts on Monday, May 4, from 10:00 a.m. to 12:30 p.m. EDT with a buffet lunch to follow. Leaders from each Tyler business unit will give brief strategic overviews of Tyler’s products and services, followed by a roundtable Q&A session with members of Tyler’s corporate and senior management teams and a client panel. The live webcast of this presentation, as well as an archived replay, can be accessed on the Investors section at [www.tylertech.com](http://www.tylertech.com).

“We look forward to hosting members of the investment community during Connect 2015,” said John S. Marr Jr., Tyler’s president and CEO. “Our annual client conference is a great platform for showcasing the breadth of our product offerings while providing greater insight into our company.”

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of citizens. Tyler’s client base includes more than 13,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. Forbes has named Tyler one of “America’s Best Small Companies” eight times and the company has been included six times on the Barron’s 400 Index, a measure of the most promising companies in America. More information about Plano-based Tyler Technologies can be found at [www.tylertech.com](http://www.tylertech.com).
