

Tyler Technologies to Host Investor Session at Connect 2016

Tyler Technologies, Inc. (NYSE: TYL) will host an investor and analyst session at its annual user conference, Connect 2016, in Phoenix.

Executive management will host a session specifically for investors and analysts on Monday, May 2, from 10:45 a.m. to 1:45 p.m. MST. Leaders from Tyler business units will provide strategic overviews of Tyler's products and services, with an emphasis on Tyler's courts and justice and public safety products, as well as an update on key product development initiatives. These will be followed by an executive roundtable Q&A session with members of Tyler's senior leadership team and a client panel, representing multiple solution areas. The live webcast of this session, as well as an archived replay, can be accessed on the Investors section at www.tylertech.com.

"We look forward to hosting members of the investment community during Connect 2016," said John S. Marr Jr., Tyler's president and CEO. "Our annual Connect conference is a great platform for showcasing the breadth of our product offerings and client relationships while providing greater insight into our company."
