

NIC Government Partners Honored for Online Services Making Government More Accessible

OLATHE, Kan. - [NIC Inc.](#) (NASDAQ: [EGOV](#)), the dominant provider of digital government solutions, congratulates its government partners in Maryland and Hawaii for being awarded Digital Government Achievement Awards by the [Center for Digital Government](#).

The Digital Government Achievement Awards (DGAA) recognize outstanding agency and department websites and projects at the application and infrastructure level.

"Service by service, our employees and their government partners work every day to make government more efficient," said Robert Knapp, NIC's Chief Operating Officer. "It is great to see their efforts recognized for developing some of the best online government solutions. Congratulations to all of our government partners honored with Digital Government Achievement Awards."

The Maryland Business Express application won a DGAA in the government-to-business category, and the Hawaii Vital Records Ordering and Tracking System won in the "Driving Digital Government" state government category.

The [Center for Digital Government](#) is an international research and advisory institute on the use of information technology in government. The DGAA Awards will be presented September 30, 2016 in New Orleans.

About NIC

Founded in 1992, NIC Inc. (NASDAQ: EGOV) is the nation's leading provider of official government websites, online services, and secure payment processing solutions. The Company's innovative digital government services help make government more accessible to everyone through technology.
