

Tyler Technologies to Host Investor Session at Connect 2017

PLANO, Texas – April 28, 2017 – [Tyler Technologies, Inc.](http://www.tylertech.com) (NYSE: TYL) will host an investor and analyst session at its annual user conference, Connect 2017, in San Antonio, Texas.

Executive management will host a session specifically for investors and analysts on Monday, May 8, from 11:30 a.m. to 2:30 p.m. CDT. Leaders from Tyler business units will provide strategic overviews of Tyler’s products and services, with an emphasis on Tyler’s Connected Communities initiative and its product development strategies. The agenda will also cover highlights from the Justice and Enterprise Groups, including Tyler’s Alliance and Nexus initiatives. These will be followed by an executive roundtable Q&A session with members of Tyler’s senior leadership team.

The live webcast of this session, as well as an archived replay, can be accessed at <http://investors.tylertech.com/Presentations>. Please register [here](#) and be sure to download and review the System Test feature found at the top right of the registration fields to ensure your system setup is functioning correctly. Additionally, this year’s live streaming webcast will feature the ability to ask a question during the management Q&A roundtable discussion. Questions will be taken in conjunction with those from the live audience as time allows.

“We look forward to hosting members of the investment community during Connect 2017,” said John S. Marr Jr., chairman and CEO for Tyler. “With the addition of our New World public safety and ERP users, this year’s user conference will be the largest ever, with more than 5,600 Tyler clients, partners and staff.”

More information about Connect 2017 is available at <https://www.tylertech.com/connect2017/index.html>.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector — cities, counties, schools and other government entities — to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler’s client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2016, Forbes ranked Tyler on its “Most Innovative Growth Companies” list, and it has also named Tyler one of “America’s Best Small Companies” eight times. The company has been included six times on the Barron’s 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
