About NIC

Founded in 1992, NIC Inc. (NASDAQ: EGOV) is celebrating 25 years as the nation's premier provider of innovative digital government solutions and secure payment processing, which help make government interactions more accessible for everyone through technology. The family of NIC companies has developed a library of more than 13,000 digital government services for more than 5,500 federal, state, and local government agencies. Among these solutions is the ground-breaking digital government personal assistant, Gov2Go, delivering citizens personalized reminders and a single access point for government interactions. More information is available at www.egov.com.
