

## Tyler Technologies Signs \$20 Million Agreement with the New York State Department of Taxation and Finance and the Office of Information Technology Services

*Tyler to provide iasWorld CAMA software solution to state of New York*

[Tyler Technologies, Inc.](#) (NYSE: TYL) signed a joint agreement with the New York State Department of Taxation and Finance (DTF) and the New York State Office of Information Technology Services (OITS) for its iasWorld CAMA™ computer-assisted mass appraisal software solution. The contract, which was signed in the first quarter and is valued at \$20 million, also includes iasWorld Inquiry & Appeals™ tracking, iasWorld Field Mobile™ and iasWorld® SmartFile solutions.

In New York, Tyler's iasWorld solution is used in the top three assessing jurisdictions by parcel count - the Town of Brookhaven uses the iasWorld CAMA solution, Nassau County uses iasWorld Tax™ and CAMA, and New York City is currently installing iasWorld Tax. Tyler has also implemented or is in the process of implementing several state- and province-wide solutions for iasWorld, including in Tennessee and West Virginia in the U.S., and Nova Scotia, Newfoundland and British Columbia in Canada. In addition, iasWorld is also installed in all counties across Hawaii.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2016, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and it has also named Tyler one of "America's Best Small Companies" eight times. The company has been included six times on the Barron's 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at [www.tylertech.com](http://www.tylertech.com).
