

Tyler Technologies Named to “Best Places to Work in Maine” List for 2017

Tyler ranked in the top ten for second consecutive year

PLANO, Texas (Oct. 19, 2017) – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named to [Maine Biz’s 2017 “Best Places to Work in Maine”](#) list. Tyler was ranked in the “Large Employer Category,” which includes companies having 250 or more U.S. employees.

Tyler ranked 10th on the list, matching its rank from 2016. Tyler’s ERP & Schools Division is located in Yarmouth, Maine, where Tyler has more than 700 employees. Tyler also has Maine offices in Falmouth and Bangor.

“We’re thrilled to once again be named as a top workplace in Maine in 2017,” said Robert Sansone, chief human resources officer for Tyler. “Our company has seen incredible growth and advancement, and we’re pleased that we’ve been able to offer employees a place to work with innovative technology while maintaining a desirable workplace for the residents of Maine. We look forward to continuing to attract strong candidates to our three Maine offices.”

Tyler’s recognition follows a thorough two-part company assessment from Maine Biz, where each employer completes a questionnaire, and then employees of the company complete an employee survey. The results are analyzed and categorized according to eight core focus areas: Leadership and Planning, Corporate Culture and Communications, Role Satisfaction, Work Environment, Relationship and Supervisor Training, Development and Resources, Pay and Benefits, and Overall Engagement.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler’s client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2017, Forbes ranked Tyler on its “Most Innovative Growth Companies” list, and it has also named Tyler one of “America’s Best Small Companies” eight times. The company has been included six times on the Barron’s 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
