

Tyler Technologies Awarded as Best Workplace in Lubbock, Texas

Tyler named as Best Workplace in Lubbock second year in a row

PLANO, Texas (Nov. 7, 2017) – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named a “2017 Best of Lubbock” winner by the Lubbock Avalanche-Journal for Best Workplace and Best Business Computer Technology Company.

“Tyler is honored to be named as the best workplace in Lubbock for the second consecutive year,” said Dane Womble, president of Tyler’s Local Government Division. “We strive to make our office a desirable place to work, and awards like this show us we’re on the right track. We wouldn’t be the market leader we are without the dedicated employees that make up the Tyler family. We attribute much of our success to hiring genuine, caring, and innovative people.”

“We have a special relationship with Lubbock and its citizens, having had the Tyler office here for decades,” said Robert Sansone, chief human resources officer for Tyler. “We appreciate the Lubbock community and are pleased we can continue to be a great place to work in the area.”

Each year, Lubbock residents vote on the "best of" Lubbock in many different categories. More than 350 employees work in Lubbock, home to Tyler's Local Government Division. Tyler has more than 4,000 employees, and 24 offices across the U.S. and Canada.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler’s client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2017, Forbes ranked Tyler on its “Most Innovative Growth Companies” list, and it has also named Tyler one of “America’s Best Small Companies” eight times. The company has been included six times on the Barron’s 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
