

Tyler Technologies' Troy, Michigan, Office Named a Top Workplace

Tyler ranked on the Detroit Free Press list for the first time

PLANO, Texas (Nov. 16, 2017) – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named a 2017 Top Workplace by the Detroit Free Press. This is the first time Tyler's Troy office has been included in the ranking among 150 companies and organizations in Michigan, adding to Tyler's multiple past top workplace awards in Maine, Ohio, and Texas.

"Our Troy office has seen incredible growth ever since New World Systems was acquired by Tyler in late 2015, and particularly within the past year," said Greg Sebastian, president of Tyler's Public Safety Division. "We're proud that we've been able to maintain a strong company culture for our existing employees and introduce our company as a great place to work for potential employees in the metro-Detroit area."

"We're pleased to be recognized by the Detroit Free Press for the first time," said Robert Sansone, chief human resources officer for Tyler. "We hope to continue to attract passionate, driven individuals to join our Troy office, helping us to continue our mission of empowering people who serve the public."

Each year, the Detroit Free Press Top Workplaces list recognizes outstanding area businesses based on employee surveys. Companies are measured on several qualities including company leadership, career opportunities, workplace flexibility, compensation, and benefits.

More than 400 employees work in Tyler's Troy office, home to Tyler's Public Safety Division, which develops software solutions for police, fire, and EMS agencies. Tyler has more than 4,000 employees, and 24 offices across the U.S. and Canada.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2017, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and it has also named Tyler one of "America's Best Small Companies" eight times. The company has been included six times on the Barron's 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
