

## **Tyler Technologies' Plano, Texas, Office Named a Top Workplace for Sixth Time**

*Tyler joins The Dallas Morning News' ranking once again*

**PLANO, Texas** (Dec. 5, 2017) – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named to The Dallas Morning News' "Top 100 Places to Work 2017" list in the large company category. Tyler was ranked 19<sup>th</sup> on the list, marking the company's sixth time to be recognized.

"The ranking by The Dallas Morning News underscores the caliber of employees we have in the Plano office and celebrates the company culture we've maintained for many years," said Lynn Moore Jr., president of Tyler. "Our people truly make the difference and set Tyler apart from so many other businesses in the area, and we're proud to maintain our position as a desirable workplace where our people can make an impact serving our local government clients."

"With so many innovative and successful companies in the Dallas-Fort Worth area, we're thrilled to be included as a top workplace by The Dallas Morning News," said Bruce Graham, chief strategy officer and president of Tyler's Courts & Justice Division. "We have continued to attract driven, passionate people to Tyler's Plano office, and we look forward maintaining our special company culture in the years to come."

The Dallas Morning News bases its Top 100 Places to Work on an independent, confidential survey of employees. The survey analyzes several factors, including direction, execution, career advancement, working conditions and culture, manager/employee relationships, and work/life balance, as well as compensation and benefits. This year, 289 Dallas-Fort Worth metro area-based companies that employ 134,123 people were surveyed.

More than 800 employees work in Tyler's Plano office, which is both the company's headquarters and home to its Courts & Justice Division. Tyler has more than 4,000 employees, and 24 offices across the U.S. and Canada.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2017, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and it has also named Tyler one of "America's Best Small Companies" eight times. The company has been included six times on the Barron's 400 Index, a measure of the most promising companies in America.
