

Tyler Technologies Named one of Phoenix's Best Places to Work

Tyler's first time on the Phoenix Business Journal list

PLANO, Texas (Jan. 2, 2018) – [Tyler Technologies, Inc.](#) (NYSE: TYL) was recently included on the Phoenix Business Journal's 2017 Best Places to Work list. Tyler ranked No. 22 in its category, and it was the first time for the company to be included in the ranking.

“We're pleased to be recognized as one of Phoenix's best places to work for the first time,” said Dane Womble, president of Tyler's Local Government Division. “The employees in our Tempe office strongly embody the traits that are seen across Tyler's offices nationwide – driven individuals, innovative thinkers, and dependable partners for our public sector clients. We've developed a strong culture in the Phoenix area where people are excited to come to work each day.”

The Phoenix Business Journal's Best Places to Work program recognizes companies with excellent morale, engagement, and retention. The award winners are determined by employee surveys administered by Quantum Workplace.

Tyler has an office outside Phoenix in Tempe, Arizona, with approximately 100 employees. Overall, Tyler has more than 4,000 employees and 24 offices across the U.S. and Canada.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, the United Kingdom and other international locations. In 2017, Forbes ranked Tyler on its “Most Innovative Growth Companies” list, and it has also named Tyler one of “America's Best Small Companies” eight times. The company has been included six times on the Barron's 400 Index, a measure of the most promising companies in America. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
