

## NIC Inc. and Everglades National Park Launch Digital Park Entrance Passes

*Visitors can skip the lines and purchase park passes online with YourPassNow*

OLATHE, Kan. - Everglades National Park has partnered with digital government services provider [NIC Inc.](#) (NASDAQ: EGOV) to offer digital entrance passes to visitors through YourPassNow. YourPassNow adds a new level of convenience and flexibility by enabling visitors to easily purchase their park entrance pass online.

"By having the ability to purchase entrance passes at home or on their smartphone in advance of their visit, visitors have an even more convenient way to plan their trip and enter the park," said Pedro Ramos, superintendent of Everglades National Park. "We are happy to be working with NIC moving forward as their program allows the visitor to choose the dates they want to visit the park upon purchase of the pass."

YourPassNow allows visitors to use their personal computer or mobile device to purchase an entrance pass online, at no additional cost. This allows visitors the option to purchase passes in advance to be used at a later date or to be used immediately. Since YourPassNow's launch in January 2016, visitors have purchased thousands of passes using the online system.

Located on the southern tip of Florida, Everglades National Park provides an important habitat that is home to several endangered species such as the manatee, American crocodile, and the Florida panther. The 1.5-million-acre wetlands welcome an average of one million visitors each year.
