Tyler's Excellence Award submissions, accepted from October 18, 2017, through January 22, 2018, were evaluated by a panel of Tyler leadership and judged on business value, maturity, innovation, and relevance to other public sector organizations. Additional criteria met by award winners included:

- Creating a unique process using a Tyler application or service that can educate other organizations
- Realizing significant savings after implementing a Tyler solution
- Increasing staff productivity by implementing a Tyler application or service
- Empowering employees, citizens or vendors

Winners were recognized at Tyler's Connect user conference in Boston on April 23 and 24. Select Odyssey winners were recognized at the Odyssey user conference in Fort Worth, Texas, in March, and Tyler SIS winners were recognized at the Tyler SIS user conference in Columbia, Missouri, in April.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, Australia, and other international locations. In 2017, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and Fortune included Tyler on its "100 Fastest-Growing Companies" list.
