

Tyler Technologies Named to “Best Places to Work in Maine” List for the 10th Year

Tyler recognized as an employer of choice in 2018 annual listing

YARMOUTH, Maine – Oct. 23, 2018 – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named to [Mainebiz’s 2018 “Best Places to Work in Maine”](#) list for the 10th time since 2007. Tyler was ranked in the “Large Employer Category,” which includes companies having 250 or more U.S. employees.

Tyler joined leading Maine employers in markets including advertising, automotive, construction, finance, healthcare, lumber and technology in being selected for this year’s list. Tyler has more than 800 employees in Maine across its offices in Bangor, Falmouth, Portland, and Yarmouth, where the company’s ERP & Schools Division is based.

“2018 has been a banner year for Tyler in Maine, starting with the opening of our expanded campus in Yarmouth, and continuing with steady hiring across each of our four Maine office locations,” said Kelley Shimansky, chief human resources officer for Tyler. “Tyler continues to exceed expectations, with continuing growth and advancement opportunities for our team. We pride ourselves on a workplace that is dedicated to serving the public sector through a culture that represents the best of Maine and Tyler Technologies.”

Tyler’s recognition follows a thorough two-part company assessment from Mainebiz, where each employer completes a questionnaire, and then employees of the company complete an employee survey. The results are analyzed and categorized according to eight core focus areas: Leadership and Planning, Corporate Culture and Communications, Role Satisfaction, Work Environment, Relationship and Supervisor Training, Development and Resources, Pay and Benefits, and Overall Engagement.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler’s client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, Australia, and other international locations. In 2017, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and Fortune included Tyler on its "100 Fastest-Growing Companies" list.
