

Tyler Technologies Named One of the Best Workplaces in Lubbock, Texas

Tyler recognized as a top workplace in Lubbock for third consecutive year

LUBBOCK, Texas – Nov. 9, 2018 – [Tyler Technologies, Inc.](#) (NYSE: TYL) has been named a “2018 Best of Lubbock” winner by the Lubbock Avalanche-Journal. The company was recognized as the runner-up for Best Workplace and as the winner for Best Computer Technology Company.

“Tyler is honored to receive this award, and we are humbled to be viewed as a great workplace in the local area,” said Dane Womble, president of Tyler’s Local Government Division. “Awards like this underscore our commitment to maintaining a strong, positive culture in the Lubbock office, and we strive to hire genuine, hardworking, and caring people. We appreciate the Lubbock community very much.”

Each year, Lubbock residents are encouraged to nominate local companies and businesses in dozens of categories that represent the “best of” Lubbock. Only the top businesses in each category advance to the final voting stage and are voted on by Lubbock residents. This year, votes were placed between August 19 and September 10, 2018.

More than 250 employees work in Tyler’s Lubbock office, home to its Local Government Division. Tyler has more than 4,300 employees and approximately 30 offices across the U.S. and Canada.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is a leading provider of end-to-end information management solutions and services for local governments. Tyler partners with clients to empower the public sector - cities, counties, schools and other government entities - to become more efficient, more accessible and more responsive to the needs of their constituents. Tyler's client base includes more than 15,000 local government offices in all 50 states, Canada, the Caribbean, Australia, and other international locations. In 2017, Forbes ranked Tyler on its "Most Innovative Growth Companies" list, and Fortune included Tyler on its "100 Fastest-Growing Companies" list. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at www.tylertech.com.
