

NIC Inc. and Cabrillo National Monument Team Up to Offer Electronic Entrance Passes

YourPassNow offers visitors digital access to America's public lands

OLATHE, Kan. - Cabrillo National Monument has partnered with digital government services provider [NIC Inc.](#) (Nasdaq: EGOV) to offer electronic entrance passes to visitors through [YourPassNow](#). YourPassNow is an online marketplace making it easy and convenient for visitors to purchase digital passes and permits to public lands.

"We are excited to bring YourPassNow to Cabrillo National Monument. Not only does this system offer visitors the convenience of purchasing their park passes before they arrive at this park, YourPassNow also connects visitors to many other units in the National Park Service system as well as to units of other federal agencies, such as National Forests. It is an extra connection for awareness about these lands that belong to the public." - Cabrillo National Monument Superintendent Andrea Compton.

YourPassNow provides an alternative to the traditional paper-based, in-person purchase method while simultaneously providing public lands with a tool to help manage the visitor experience. Using a personal device, visitors can purchase passes and permits from [yourpassnow.com](#). Once purchased, passes arrive via email and can be used immediately, stored on a mobile device to be used later or printed.

Cabrillo National Monument is named after Juan Rodriguez Cabrillo who stepped into history as the first European to set foot on what is now the West Coast of the United States. In addition to telling the story of 16th century exploration, the park is home to a wealth of cultural and natural resources, including the Old Point Loma lighthouse.

"NIC is committed to delivering solutions that make it easier for individuals to access and enjoy our public lands," said Sandi Miller, General Manager, NIC Inc. "We are thrilled to provide Cabrillo National Monument, with a digital option for visitors to purchase their passes online," said Miller.

Cabrillo joins the following public lands currently providing electronic passes and permits through YourPassNow: Acadia, Crater Lake, Everglades, Glacier, Grand Canyon, Mount Rainier, Olympic, Theodore Roosevelt, Sequoia and Kings Canyon, Yellowstone, and Yosemite National Parks; Castillo de San Marcos and Colorado National Monuments; Whiskeytown National Recreation Area; Columbia River Gorge National Scenic Area; Fort Vancouver National Historic Site; Wayne and Uinta-Wasatch-Cache National Forests; the Bureau of Land Management's Lake Havasu and Yuma Field Offices; and the State of Arkansas' historic Eureka Springs.
