Tyler's Excellence Award submissions, accepted from October 9, 2018, through January 7, 2019, were evaluated by a panel of Tyler leadership and judged on business value, maturity, innovation, and relevance to other public sector organizations. Additional criteria met by award winners included:

- Creating a unique process using a Tyler application or service
- Realizing significant savings after implementing a Tyler solution
- Increasing staff productivity by implementing a Tyler application or service
- Empowering employees, citizens, or vendors

Winners were recognized at Tyler's annual Connect user conference in Dallas, Texas, on April 8. Tyler SIS winner Ozark R-VI Schools was recognized at the Tyler SIS user conference in Columbia, Missouri, on April 3.

About Tyler Technologies, Inc.

Tyler Technologies (NYSE: TYL) is the largest and most established provider of integrated software and technology services focused on the public sector. Tyler's end-to-end solutions empower local, state, and federal government entities to operate more efficiently and connect more transparently with their constituents and with each other. By connecting data and processes across disparate systems, Tyler's solutions are transforming how clients gain actionable insights that solve problems in their communities. Tyler has more than 21,000 successful installations across 10,000 sites, with clients in all 50 states, Canada, the Caribbean, Australia, and other international locations. A financially strong company, Tyler has achieved double-digit revenue growth every quarter since 2012. It was also named to Forbes' "Best Midsize Employers" list in 2018 and recognized twice on its "Most Innovative Growth Companies" list.
