

## Tyler Technologies Named a Top Workplace in Troy, Michigan

*Tyler recognized by the Detroit Free Press for the third consecutive year*

**TROY, Michigan** (Dec. 10, 2019) – [Tyler Technologies, Inc.](#) (NYSE: TYL) announced that it has been named to the Detroit Free Press “[2019 Top Workplaces](#)” list in Michigan for the third consecutive year. Tyler ranked in the midsize company category, which includes companies that have between 150-499 employees.

“Our employees are the reason for this prestigious recognition by the Detroit Free Press,” said Bryan Proctor, president of Tyler’s Public Safety Division. “We have an innovative, hardworking team in Troy and strive to provide a productive and enjoyable atmosphere. We are honored to be recognized as a top workplace for a third year.”

The Detroit Free Press partnered with Energage, an employee research and culture technology firm, to administer an employee engagement survey related to workplace culture. Michigan businesses or nonprofits with at least 50 employees were eligible to nominate a workplace for consideration. This year, 242 companies were surveyed. The rankings are based on employee survey feedback, which is analyzed based on Energage’s objective criteria.

More than 430 employees work in Tyler’s Troy office, home to its Public Safety Division, which develops software solutions for police, fire, and EMS agencies. The Troy location is also home to the company’s New World™ ERP staff, who provide integrated public administration solutions. Tyler has more than 5,000 employees and approximately 30 offices across the U.S. and Canada.

### **About Tyler Technologies, Inc.**

Tyler Technologies (NYSE: TYL) is the largest and most established provider of integrated software and technology services focused on the public sector. Tyler’s end-to-end solutions empower local, state, and federal government entities to operate more efficiently and connect more transparently with their constituents and with each other. By connecting data and processes across disparate systems, Tyler’s solutions are transforming how clients gain actionable insights that solve problems in their communities. Tyler has more than 21,000 successful installations across 10,000 sites, with clients in all 50 states, Canada, the Caribbean, Australia, and other international locations. A financially strong company, Tyler has achieved double-digit revenue growth every quarter since 2012. It was also named to Forbes’ “Best Midsize Employers” list in 2018 and recognized twice on its “Most Innovative Growth Companies” list. More information about Tyler Technologies, headquartered in Plano, Texas, can be found at [tylertech.com](http://tylertech.com).
