

NOR Expands MCInfo Insurance Filing Services to Washington

Washington is 23rd state to offer MCInfo service

ARLINGTON, Va. - National Online Registries, LLC (NOR) has added service to the [Motor Carrier Information Exchange \(MCInfo\) system](#) for users to electronically file insurance forms to the Washington Utilities and Transportation Commission (UTC). Washington is the 23rd state accepting forms created online through MCInfo.

"We are excited to enable users to efficiently submit and track insurance filings to Washington using MCInfo," said Laura Johnson, General Manager of NOR. "MCInfo now automatically forwards common intrastate motor carrier insurance form filings to the UTC."

MCInfo users can generate and submit three forms to Washington through MCInfo:

- Form E: Uniform Motor Carrier Bodily Injury and Property Damage Liability Certification of Insurance
- Form H: Uniform Motor Carrier Cargo Certificate of Insurance
- Form K: Uniform Notice of Cancellation of Motor Carrier Insurance Policies

Later this year, NOR will partner with the Washington Department of Licensing to offer options to file high-risk personal auto insurance forms SR-22 and SR-26 through MCInfo.

MCInfo speeds up the submission process and increases transparency by providing visibility and tracking of insurance filings through the approval process. Automatic data population helps save time and prevent data entry errors when submitting multiple forms at once. Currently, MCInfo users can complete and file 16 forms through the system.

For participating states, MCInfo provides a centralized system to receive and review insurance filings, automatically communicate with insurance companies, and track trends and progress via the reporting feature.

For more information, contact MCInfo Customer Support at (703) 841-6374 or at mcinfo@egov.com. To sign up, visit www.mcinfo.org/MCInfo/insuranceCompanySignup.

About National Online Registries, LLC

For two decades, National Online Registries, LLC (NOR) has enabled quick, convenient processing of insurance forms on behalf of motor carriers. Through the Motor Carrier Information Exchange (MCInfo) system, NOR partners with participating states nationwide to provide secure and efficient insurance certificate filing services to insurance companies, filing agencies, and managing general agents. Headquartered in Arlington, VA, National Online Registries, LLC is a wholly owned subsidiary of NIC Inc. (NASDAQ: EGOV). For more information, please visit www.mcinfo.org.

About NIC Inc.

NIC (Nasdaq: EGOV) is a leading digital government solutions and payments company, serving more than 7,000 federal, state and local government agencies across the nation. With headquarters in Olathe, Kansas, and offices in more than 30 states, NIC partners with government to deliver user-friendly digital services that make it easier and more efficient to interact with government - providing valuable conveniences like applying for unemployment insurance, submitting business filings, renewing licenses, accessing information and making secure payments without visiting a government office. In the COVID-19 era and beyond, NIC helps government agencies rapidly deliver new digital solutions to provide essential services to citizens and businesses alike. Having served the public sector for nearly 30 years, NIC continues to evolve with its federal, state and local government partners to deliver innovative and cost-effective digital government to constituents.
