

Tyler Technologies Announces 2021 Public Sector Excellence Award Winners

31 winners across 17 states recognized for their achievements

PLANO, Texas - [Tyler Technologies, Inc.](#) (NYSE: TYL) is proud to announce its [2021 Tyler Public Sector Excellence Award](#) winners. The company selected 31 public sector clients as winners from a broad and diverse field of applicants after demonstrating their excellence in developing, deploying, or maintaining Tyler solutions within their jurisdictions in innovative ways.

Tyler's excellence awards were announced at this year's annual Tyler Connect user conference, which was attended virtually by more than 5,000 clients. Tyler Connect offered more than 600 classes for attendees, and allowed clients to network with peers, share best practices, and learn new processes related to their Tyler solutions.

"Our Tyler Excellence Award winners continue to raise the bar on using technology to create real change in their communities, and this year was no different," said Lynn Moore, president and chief executive officer of Tyler. "We are proud to recognize these clients for their excellence in making their jurisdictions more vibrant, more efficient, and more productive."

These jurisdictions were recognized for their significant commitment to public service and striving for greater efficiency and effectiveness in serving their communities. More information about each winning jurisdiction can be found on our winner's page [here](#).
