Tyler Technologies Announces 2022 Public Sector Excellence Award Winners

29 winners recognized at annual Tyler Connect user conference

PLANO, Texas - Tyler Technologies, Inc. (NYSE: TYL) is proud to announce its 2022 Public Sector Excellence Award winners. The company selected 29 public sector clients as winners from a broad and diverse field of applicants after demonstrating their excellence in developing, deploying, or maintaining Tyler solutions within their jurisdictions in innovative ways.

Tyler's excellence awards were announced at this year's annual Tyler Connect user conference, which was held in Indianapolis, Indiana, and attended by more than 4,100 clients. Tyler Connect offered more than 700 classes for attendees, and allowed clients to network with peers, share best practices, and learn new processes related to their Tyler solutions.

"We were especially excited to recognize these winners in person at Tyler Connect, our first in-person conference gathering since 2019," said Lynn Moore, president and chief executive officer of Tyler. "We are always so impressed by how these jurisdictions positively impact their communities through technology and create real change."

These jurisdictions were recognized for their significant commitment to public service and striving for greater efficiency and effectiveness in serving their communities. More information about each winning jurisdiction can be found on our winner's page here.
