

INSULET CORPORATION

Corporate Governance Guidelines

The Board of Directors (the “Board”) of Insulet Corporation (the “Company”) has adopted the corporate governance guidelines set forth below (the “Corporate Governance Guidelines”) to assist and guide the Board in the exercise of its responsibilities. These guidelines should be interpreted in accordance with any requirements imposed by applicable federal or state law or regulation, NASDAQ Stock Market LLC Rules (the “NASDAQ Rules”) and the Certificate of Incorporation and Bylaws of the Company. The Board may review and amend these guidelines from time to time.

I. DIRECTOR QUALIFICATION STANDARDS

A. Director Criteria

The Board shall consider and approve from time to time the criteria that it deems necessary or advisable for prospective director (“Director”) candidates. The Board shall have full authority to modify such criteria from time to time as it deems necessary or advisable.

The Board has delegated to the Nominating, Governance and Risk Committee (the “Nominating and Corporate Governance Committee”) the responsibility for developing and recommending to the Board for its consideration and approval such criteria for prospective Director candidates as the Nominating and Corporate Governance Committee deems necessary or advisable. The Nominating and Corporate Governance Committee will recommend to the Board from time to time such criteria for its consideration and approval. The Board may, however, rescind this delegation to the Nominating and Corporate Governance Committee and thereafter the Board shall have the responsibility for developing and approving from time to time such criteria for prospective Director candidates as it deems necessary or advisable.

B. Process For Identifying and Selecting Directors

The Board has delegated to the Nominating and Corporate Governance Committee the responsibility of identifying suitable candidates for nomination to the Board (including candidates to fill any vacancies that may occur) and assessing their qualifications in light of the policies and principles in these Corporate Governance Guidelines and the Nominating and Corporate Governance Committee’s charter. The Nominating and Corporate Governance Committee will recommend prospective Director candidates for the Board’s consideration and review the prospective candidates’ qualifications with the Board. The Board shall retain the ultimate authority to nominate a candidate for election by the stockholders as a Director or to fill any vacancy that may occur.

In identifying prospective Director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the prospective Director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board.

C. Independence

At least two-thirds of the members of the Board shall meet the independence requirements set forth in NASDAQ Rule 5605(a)(2) (“

At least annually, the Board will evaluate all relationships between the Company and each Director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a potential conflict of interest, lack of independence or otherwise interfere with such Director’s ability to satisfy his or her responsibilities as an independent Director.

D. Commitment to the Board; Service on Other Boards

Carrying out the duties and fulfilling the responsibilities of a Director requires a significant commitment of an individual’s time and attention. The Board recognizes that excessive time commitments can interfere with an individual’s ability to perform his or her duties effectively. Accordingly, (1) no Director who serves as the chief executive officer of, or occupies an equivalent position at, any business corporation (including the Company) should serve on the boards of directors of more than two public companies (including the Company), (2) no other Director should serve on the boards of directors of more than [four] public companies (including the Company), and (3) no member of the Audit Committee should serve simultaneously on the audit committees of more than three public companies (including the Company), in each case unless the Board determines that such service would not impair the ability of such Director to effectively serve on the Board or the Audit Committee, as applicable. Additionally, unless otherwise determined by the Board, any Director exceeding the limits set forth above shall have a transition period of six months during which such Director shall resign from a board or audit committee, as applicable, in order to comply with the limits described above. In connection with its assessment of Director candidates for nomination, the Nominating and Corporate Governance Committee will assess whether the performance of any Director has been or is likely to be adversely impacted by excessive time commitments, including service on other boards of directors and committees thereof. Directors must notify the Chairman of the Nominating and Corporate Governance Committee in connection with accepting a seat on the board of directors of, or any assignment to the audit committee of, another business corporation so that the potential for conflicts or other factors compromising the Director’s ability to perform his or her duties may be fully assessed. Each Director is expected to ensure that other existing and planned future commitments do not materially interfere with the Director’s service as such to the Company. Directors are expected to report changes in their primary business or professional association, including retirement, to the Chairman of the Board and the Chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, in consultation with the Chairman of the Board, will consider any effects these changes may have on the effectiveness of the Director’s contribution to the work of the Board, and on an annual basis will conduct a review of Director commitment levels.

E. Term and Age Limits

The Board does not believe that arbitrary limits on the number of consecutive terms a Director may serve or on the Directors’ ages are appropriate in light of the substantial benefits

resulting from a sustained focus on the Company's business, strategy and industry over a significant period of time. Each individual's performance will be assessed by the Nominating and Corporate Governance Committee in light of relevant factors in connection with assessments of candidates for nomination to be Directors.

F. Succession

The Nominating and Corporate Governance Committee shall be responsible for developing Director succession plans as appropriate in light of relevant facts and circumstances.

II. DIRECTOR RESPONSIBILITIES

A. Role of Directors

The business and affairs of the Company are managed by or under the direction of the Board, acting on behalf of the stockholders. B. Attendance at Meetings

Each member of the Board is expected to make reasonable efforts to attend regularly scheduled meetings of the Board and to participate in telephone conference meetings or other special meetings of the Board. In the event that Directors are unable to make at least 75% of those regular or special meetings (together with the meetings of committees on which such Director serves), the Company will be required to disclose that fact in its annual proxy statement. In addition, attendance and participation at meetings is an important component of the Directors' duties and, as such, attendance rates will be taken into account by the Nominating and Corporate Governance Committee in connection with assessments of Director candidates for renomination as Directors.

C. Attendance at Annual Meeting of Stockholders

The Board's policy is that all Directors and all nominees for election as Directors attend the Company's Annual Meeting of Stockholders in person, unless doing so is impracticable due to unavoidable conflicts.

D. Time Commitment; Advance Distribution and Review of Materials

Directors are expected to spend the time needed and meet as frequently as the Board deems necessary or appropriate to discharge their responsibilities. Senior management is responsible for distributing information and data that are important to the Board's understanding of the business to be conducted at a Board or Committee meeting to the Directors. Directors should review these materials in advance of the meeting when reasonably practicable.

III. BOARD STRUCTURE

A. Size of Board

The Board is currently set at nine members; however, the Board reserves the right to increase or decrease the size of the Board, subject to any relevant provisions in the Company's Certificate of Incorporation and Bylaws, depending on an assessment of the Board's needs and other relevant circumstances at any given time.

B. Board Leadership

The Company's Bylaws provide that the Chairman of the Board, if one is elected, shall preside, when present, at all meetings of the stockholders and the Board. The Chairman of the Board shall have such other powers and shall perform such other duties as the Board may from time to time designate. If the Company's Chief Executive Officer is elected to serve as the Chairman of the Board, then a Lead Director, who shall qualify as an "independent director" as such term is defined in NASDAQ Rule 5605(a)(2), shall be elected by the non-management Directors. The Lead Director shall be responsible for coordinating with the Chairman of the Board on the creation of the agenda for each meeting of the Board, for ensuring that topics at each meeting are effectively covered, for chairing executive sessions of the Board and for acting as the principal liaison between the independent Directors and management.

C. Committees

The Board intends at all times to have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these standing committees will have a written charter that sets forth the responsibilities of such committee and the qualifications for committee membership. The Board may from time to time establish additional committees as necessary or appropriate.

D. Executive Sessions

The non-management Directors will meet at regularly scheduled executive sessions without management participation (held at least quarterly). The Director who presides at these meetings will be chosen by the non-management Directors, and his or her name, or the process by which he or she is selected, will be disclosed in the annual proxy statement or, if the Company does not file an annual proxy statement, in the Company's annual report on Form 10-K filed with the Securities and Exchange Commission.

IV. DIRECTOR ACCESS TO MANAGEMENT AND INDEPENDENT ADVISORS

In carrying out its responsibilities, the Board, and each committee thereof, shall be entitled to rely on the advice and information that it receives from management and such experts, advisors and professionals with whom the Board, or any such committee, may consult. The Board, and each committee thereof, shall have the authority to request that any officer or employee of the Company, the Company's outside legal counsel, the Company's independent auditor or any other professional retained by the Company to render advice to the Company, attend a meeting of the Board, or such committee, or meet with any members of or advisors to the Board. The Board or any committee thereof shall also have the authority to engage legal, accounting or other advisors to provide it with advice and information in connection with carrying out its or their responsibilities.

V. DIRECTOR COMPENSATION

The form and amount of Director compensation will be reviewed periodically, but at least annually, by the Compensation Committee, which shall make recommendations to the Board based on such review. The Board shall retain the ultimate authority to determine the form and amount of Director compensation.

The Company's executive officers shall not receive additional compensation for their service as Directors.

Non-management Directors may not receive consulting, advisory or other compensatory fees from the Company if the receipt of such fees would result in disqualifying the director as "independent" in accordance with the applicable provisions of the Securities Exchange Act of 1934, the rules promulgated thereunder and the applicable NASDAQ Rules. To the extent practicable or required by applicable rule or regulation, non-management Directors who are affiliated with the Company's service providers or partners or collaborators will undertake to ensure that their compensation from such providers or partners or collaborators does not include amounts connected to payments by the Company.

VI. DIRECTOR ORIENTATION AND CONTINUING EDUCATION

The Company will endeavor to provide each new Director with a briefing concerning its business, operations and strategies as well as its key policies and practices, principal officers and management structure, auditing and compliance processes and its Code of Business Conduct and Ethics.

VII. MANAGEMENT SUCCESSION

The Nominating and Corporate Governance Committee will be responsible for developing a Chief Executive Officer succession plan for consideration by the Board and reporting on such plan to the Board. The Talent and Compensation Committee will oversee succession planning for other executives at the Company, in conjunction with the Board.

VIII. ANNUAL PERFORMANCE EVALUATION OF THE BOARD AND COMMITTEES

The Board will endeavor to conduct a self-evaluation at least annually for the purpose of determining whether it and its committees are functioning effectively, and each committee of the Board will endeavor to conduct a self-evaluation at least annually for the purpose of determining whether it is functioning effectively. These evaluations will consider the performance of the Board or the committee, as the case may be, as a unit. The Nominating and Corporate Governance Committee will oversee the evaluation process.

IX. MISCELLANEOUS

The Board believes that management should be responsible for communications with the press, media and other outside parties made on behalf of the Company. In limited circumstances, individual Directors may, at the request of management or the Board, communicate with outside parties on behalf of the Company. Directors must notify the Company's Chief Executive Officer and the Secretary prior to accepting any public speaking or media engagements relating to the Company or its business or making any other public communications or comments on behalf of or as a spokesperson for the Company.

These Guidelines are not intended to modify, extinguish or in any other manner limit the indemnification, exculpation and similar rights available to the Directors of the Company under applicable law and/or the Company's Certificate of Incorporation and/or its Bylaws

Although these Guidelines have been approved by the Board, it is expected that these Guidelines will evolve over time as customary practice and legal requirements change.
