Insulet Appoints David A. Lemoine to Board of Directors

New Independent Director Brings Extensive Accounting and Financial Reporting Expertise

BILLERICA, Mass., Feb. 9, 2016 /PRNewswire/ -- Insulet Corporation (NASDAQ: PODD) (Insulet or the Company), the leader in [tubeless insulin pump](#) technology with its OmniPod[®] Insulin Management System, today announced that David A. Lemoine has been appointed to Insulet's Board of Directors. With his appointment, the Board is now comprised of nine directors, eight of whom are independent.

Mr. Lemoine brings over 40 years of audit and finance experience and a deep knowledge of accounting, financial reporting and internal controls to the Insulet Board of Directors. Mr. Lemoine was a partner in Deloitte & Touche LLP's audit practice for 25 years, serving both domestic and multinational corporate clients in the manufacturing, biotechnology, pharmaceutical, technology and healthcare industries. Mr. Lemoine is also an independent director of The L.S. Starrett Company, a global manufacturer of precision hand tools and electronic measuring instruments, where he serves as Chair of the Audit Committee and as a member of the Corporate Governance and Nominating Committee.

"David Lemoine is an outstanding and highly-qualified independent director and we are excited he has joined the Insulet Board," said Patrick Sullivan, President and Chief Executive Officer. "David's accounting and financial reporting expertise will be extremely valuable as we continue to drive the successful execution of our key initiatives, enhance the quality of life of our customers, and accelerate Insulet's growth."

Dr. John Fallon, Lead Director of the Insulet Board, said, "On behalf of the entire Insulet Board, I welcome David to our team. He brings more than four decades of financial and industry experience to Insulet, complementing the relevant and diverse expertise of his fellow directors. We look forward to leveraging his extensive experience and unique perspective to advance our ongoing value creation initiatives."
