Ferguson plc: Share Repurchase Program

10/9/2023

WOKINGHAM, England--(BUSINESS WIRE)-- Ferguson plc (the "**Company**") announces that, in continuation of its \$3.0 billion share repurchase program (the "**Program**"), it has entered into a non-discretionary arrangement with its broker J.P. Morgan Securities LLC ("**JPMS**") commencing from October 9, 2023 and ending no later than December 15, 2023. JPMS, an independent third party, will make trading decisions concerning the timing of the purchases of the Company's shares independently of the Company. JPMS will carry out the instruction through the acquisition by JPMS, as agent on behalf of the Company, of ordinary shares in the Company.

The maximum pecuniary amount allocated to this tranche of the Program is \$130 million. The value of shares repurchased by the Company under the Program pursuant to the various arrangements entered into with its brokers will not, in aggregate, exceed \$3.0 billion.

The Company's shareholders generally authorized the Company to purchase up to a maximum of 20,845,062 of its ordinary shares at its Annual General Meeting held on November 30, 2022. Pursuant to such authority, the Company intends to continue purchasing shares under the Program. The Company anticipates that it will request a similar general authority from shareholders at its 2023 Annual General Meeting to be held in November 2023 pursuant to which (to the extent the Program has not been completed by then) purchases of shares under the Program will continue. The aggregate number of shares acquired under such authority by the Company pursuant to

the Program shall not exceed the maximum number of shares which the Company is authorized to purchase pursuant to such general authority. It is intended that any shares repurchased under the Program will be transferred into treasury.

The purpose of the Program is to reduce the capital of the Company. To the extent required, the Company may in the future use the repurchased shares to satisfy share awards. Any purchases of shares by the Company in relation to this tranche of the Program will be carried out on the New York Stock Exchange (in accordance with the terms of the arrangement entered into with JPMS) and in accordance with (and subject to the limits prescribed by) the Company's general authority to repurchase shares granted by its shareholders, the Market Abuse Regulation 596/2014 (as it forms part of UK law pursuant to the European Union (Withdrawal) Act 2018), Rule 10b5-1 and Rule 10b-18 under the U.S. Securities Exchange Act of 1934, as amended.
