NEWS RELEASE

Strength in service

2024-04-30

At Ferguson, our associates demonstrate strength, resilience, and commitment to each other, our customers, and our communities. Every April, during National Volunteer Month, we honor these dedicated individuals who help us strengthen the communities we serve. This year, we recognized:

Volunteer of the Year - Randy Barron, Inventory Manager in Nashville, TN
For 25 years, Randy has been a steadfast volunteer at Room-In-The-Inn, an organization offering support such as hot meals, shelter, laundry facilities and transportation for those in need.

“Randy is a selfless individual and prioritizes other's needs before his own. He is an integral part of our team and someone who continues to build our great culture!” - Colton Williams, Senior Warehouse Manager.

Community Service Award - Branch #0060, Fort Myers, FL
For the second time, the Fort Myers team was honored for their work with Lee Builders Care, aiding handicapped, elderly and disabled community members. Also, following Hurricane Ian's impact, the branch continued its efforts, demonstrating their commitment to their community.

“Our associates are very passionate about our business and the well-being of our community. Their dedication is evident, particularly in the ongoing rebuilding efforts after Hurricane Ian. I couldn't be prouder of the team I have the privilege to work with every day!” - Charles Thornton, Counter Manager

Community Service Award - Richland Distribution Center
The Richland DC team excelled in community service, collecting toys for the Salvation Army, raising funds for Feeding America, and supporting cancer awareness and Wreaths Across America.

“This past year has been a resounding success, and the credit goes entirely to our most valuable asset – the incredible team. Their immense generosity has had a profound impact on countless lives within our community, and driven by their unwavering commitment to giving back, we've been able to support various charities. Whether through financial contributions or volunteering their time, the team's efforts have directly benefitted those in need. Their dedication extends far beyond the warehouse walls, and the spirit of giving they foster here is inspiring and strengthens the foundation of our community. We are incredibly fortunate to have such a compassionate and dedicated team.” - Jack Flett, DC General Manager

Lifetime Achievement Award – Debra Diehl
Debra exemplifies servant leadership and she has cultivated a culture of care and development throughout the Credit team. She empowers and encourages associates to always be their best and dedicates time to developing associates through mentoring, development groups and programs.

“It has been said by many associates that Debra Deihl brought a heart to the Credit Department. She leads in a way that shows genuine care and concern for the people, the business and the community. Her impact on the professional and personal lives of associates will be lasting, and her legacy of servant leadership will guide us into the future. Thank you, Debra, for helping us become better versions of ourselves.” - Adam Easton, Director of Credit, East

Through the everyday actions and volunteerism of our associates, together, we are making a meaningful impact.
