Fourth Quarter & Fiscal Year 2025 Earnings Review

January 22, 2026

FORWARD LOOKING STATEMENTS

This presentation and statements made by United Bankshares, Inc. (“UBSI”) and its management contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are intended to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements about (i) projections of income, expenses, provision expense, capital structure and other financial information; (ii) UBSI’s plans, objectives, expectations and intentions and other statements contained in this presentation that are not historical facts; and (iii) other statements identified by words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates,” “targets,” “projects,” “will,” or words of similar meaning generally intended to identify forward-looking statements. These forward-looking statements are based upon the current beliefs and expectations of the management of UBSI and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond the control of UBSI. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change. Actual results may differ materially from the anticipated results discussed in these forward-looking statements because of possible uncertainties.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: (1) the effects of and changes in trade and monetary and fiscal policies and laws, including the interest rate policies of the Federal Reserve and the trade and tariff policies; (2) general competitive, economic, political and market conditions and other factors that may affect future results of UBSI, including changes in asset quality and credit risk; the inability to sustain revenue and earnings growth; changes in interest rates and capital markets; inflation; customer borrowing, repayment, investment and deposit practices; the impact, extent and timing of technological changes; capital management activities; and other actions of the Federal Reserve Board and legislative and regulatory actions and reforms; (3) deposit attrition, client loss or revenue loss following completed mergers or acquisitions that may be greater than anticipated; (4) regulatory change risk resulting from new laws, rules, regulations, or accounting principles, including, without limitation, the possibility that regulatory agencies may require higher levels of capital above the current regulatory-mandated minimums and the possibility of changes in accounting standards, policies, principles and practices; (5) the cost and effects of cyber incidents or other failures, interruptions, or security breaches of UBSI’s systems and those of our customers or third-party providers; (6) competitive pressures on product pricing and services; (7) success, impact, and timing of UBSI’s business strategies, including market acceptance of any new products or services; (8) volatility and disruptions in global capital and credit markets; (9) operational, technological, cultural, regulatory, legal, credit and other risks associated with the exploration, consummation and integration of potential future acquisitions; (10) catastrophic events such as hurricanes, tornados, earthquakes, floods or other natural or human disasters, including public health crises and infectious disease outbreaks, as well as any government actions in response to such events; (11) geopolitical risk from terrorist activities and armed conflicts that may result in economic and supply disruptions, and loss of market and consumer confidence; (12) the risks of fluctuations in market prices for UBSI common stock that may or may not reflect economic condition or performance of UBSI; (13) the nature, extent, timing, and results of governmental actions, examinations, reviews, reforms, regulations, and interpretations; and (14) other factors that may affect future results of UBSI, as disclosed in UBSI’s Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, and Current Reports on Form 8-K, filed by UBSI with the U.S. Securities and Exchange Commission (“SEC”) and available on the SEC’s website at <http://www.sec.gov>, any of which could cause actual results to differ materially from future results expressed, implied or otherwise anticipated by such forward-looking statements.

UBSI cautions that the foregoing list of factors is not exclusive. UBSI does not undertake any obligation to update any forward-looking statement to reflect circumstances or events that occur after the date the forward-looking statements are made.

Linked-Quarter (LQ)

- Net Income was \$128.8 million in 4Q25 compared to \$130.7 million in 3Q25, with diluted EPS of \$0.91 in 4Q25 compared to \$0.92 in 3Q25.
- Net Interest Income increased \$7.3 million driven by a lower average rate paid on deposits and loan growth, partially offset by a lower yield on average net loans and loans held for sale and an increase in average interest-bearing deposits.
- Provision Expense was \$6.8 million in 4Q25 compared to \$12.1 million in 3Q25.
- Noninterest Income decreased \$12.3 million compared to 3Q25. 3Q25 included net gains on investment securities of \$10.4 million, primarily due to unrealized fair value gains on equity securities, as compared to net losses on investment securities of \$0.2 million in 4Q25.
- Noninterest Expense increased \$5.0 million compared to 3Q25 driven by an increase of \$5.6 million in the expense for the reserve for unfunded loan commitments (\$2.4 million expense in 4Q25 as compared to a net benefit of \$3.2 million in 3Q25). Additionally, employee benefits decreased \$1.7 million while other noninterest expense increased \$1.5 million due to various factors.
- Income Taxes decreased \$2.7 million primarily due to the effective tax rate declining from 20.5% to 19.4% driven by provision to return adjustments in 4Q25.

PERFORMANCE RATIOS

*Non-GAAP measure. Refer to appendix.

FY 2021 was impacted by pre-tax merger-related expenses of \$21.4 million, offset by CECL ACL releases. FY 2023 was impacted by a \$12.0 million expense related to the FDIC's special assessment levied on banking organizations to recover losses to the Deposit Insurance Fund and a \$7.2 million loss on the sale of AFS investment securities, offset by an \$8.1 million gain on sale of mortgage servicing rights. FY 2025 was impacted by pre-tax merger related expenses of \$30.0 million and net gains on investment securities of \$11.2 million primarily due to unrealized fair value gains on equity securities.

NET INTEREST INCOME AND MARGIN

\$ in millions

- Reported Net Interest Margin increased from 3.80% to 3.83% LQ.
- Linked-quarter Net Interest Income (FTE) increased \$7.3 million driven by a lower average rate paid on deposits and loan growth, partially offset by a lower yield on average net loans and loans held for sale and an increase in average interest-bearing deposits.
- Approximately ~51% of the loan portfolio is fixed rate and ~49% is adjustable rate, while ~37% of the total portfolio is projected to reprice within the next 3 months.
- ~11% of the securities portfolio is floating rate. Securities balances of approximately ~\$589 million with an average yield of ~3.7% are projected to roll off during FY 2026. HTM securities are immaterial at \$1.0 million, or 0.0% of total securities. The duration of the AFS portfolio is 4.0 years.
- Time deposits have an average maturity of ~5 months. Approximately ~13% of total deposits have interest rates tied to a floating rate index.
- Scheduled purchase accounting loan accretion is estimated at ~\$18 million for FY 2026 and ~\$11 million for FY 2027.

2026 OUTLOOK

Select guidance is being provided for 2026. Our outlook may change if the expectations for these items vary from current expectations.

- **Balance Sheet:** Expect loan and deposit growth to be in the mid single digits for 2026. Loan pipelines continue to be relatively strong. Expect investment portfolio balances to be relatively flat (market dependent).
- **Net Interest Income:** Net interest income (non-FTE) expected to be in the range of \$1.145 billion to \$1.175 billion (assumes two 25 bps rate cuts in 2026). Loan purchase accounting accretion is currently estimated at ~\$28 million for FY 2026.
- **Provision Expense:** Asset quality remains sound. Provision expense will be dependent on the future economic outlook, future credit trends within United's portfolio, and loan growth. Expect our credit performance to outperform the industry. Current planning assumption for provision expense for 2026 is \$48 million.
- **Non Interest Income:** Expect non interest income to be in the range of \$125 million to \$135 million for 2026. Mortgage banking revenue will be subject to industry trends.
- **Non Interest Expense:** Expect non interest expense to be in the range of \$615 million to \$630 million for 2026
- **Effective Tax Rate:** Estimated at approximately ~21.0%.
- **Capital:** Stock buyback will be market dependent. United's capital position remains robust.

INVESTMENT THESIS
