Citizenship at Chubb

Philanthropy & Volunteerism

The company’s philanthropy is funded principally through the Chubb Charitable Foundation, which supports non-profit organizations through grant-making and projects aligned with defined focus areas including education, the environment, and poverty and health. Through philanthropy, global partnerships and company sponsored-volunteer activities focused on giving the gift of time and donations, the Foundation supports clearly defined projects that solve problems with measurable and sustainable outcomes, helping people in the countries where we live and work build productive and healthy lives. In the last 10 years, the company has contributed over $100 million to the Foundation. The Foundation is investing in education and skills-based training that includes funding scholarships supporting students from underrepresented communities, including people of color.

Chubb Rule of Law Fund

As a corporate citizen, Chubb recognizes the rule of law as the foundation of a liberal world order that the company embraces as essential to the proper functioning of markets and the protection of personal freedoms. Through the Chubb Rule of Law Fund, a unique corporate initiative, we support projects around the world that promote the preservation and advancement of the rule of law. Since it was founded in 2008, the Fund has supported 71 projects focused on improving access to justice, strengthening courts, fighting corruption and creating the conditions of security and freedom in which our customers, employees and fellow citizens can thrive. In 2022, the Fund continued to strengthen its focus on combating racism in America’s criminal justice system.

Environment & Climate Change

Chubb recognizes its responsibility to encourage the transition to a net-zero carbon economy and we support the global goal of net-zero carbon emissions by 2050. Chubb insures and invests in clean energy businesses, works to reduce the carbon footprint of its own activities and is limiting underwriting and investment in the most carbon-intensive businesses. Chubb Climate+, a global business unit, provides a full spectrum of insurance products and services to businesses engaged in developing or employing new technologies and processes that help reduce the dependence on carbon. It also provides risk management and resiliency services to help those managing the impact of climate change. The company has adopted the Task Force on Climate-related Financial Disclosures (TCFD) reporting framework. Through its Foundation, Chubb also supports important environmental projects, including the protection of biodiversity and saving land.

Diversity, Equity & Inclusion

Chubb recognizes its responsibility to ensure opportunity within our own organization by creating an atmosphere where all colleagues, regardless of who they are, feel comfortable bringing their best to the table. Our strategy for diversity, equity and inclusion is designed to support Chubb’s ability to attract, develop and retain the best talent – regardless of background. Chubb’s culture holds true to the principles of accountability and ownership and requires collective and individual responsibility. We are taking specific actions to mitigate unconscious bias in hiring, promotions, pay, and performance assessments; expanding the recruitment and sourcing of Black and other diverse talent; and supporting the continuous development of women at all levels of their career.
