IQVIA to Host Financial Analyst and Investor Conference on June 18, 2019

DANBURY, Conn., & RESEARCH TRIANGLE PARK, N.C., May 14, 2019 — IQVIA Holdings Inc. (“IQVIA”) (NYSE:IQV), will host an Analyst and Investor Conference in New York City on Tuesday, June 18, 2019. Management will provide an update on the business, with presentations starting at 9:00 a.m. ET and concluding at approximately 1:00 p.m. ET. Registration is required to attend the event.

All are invited to listen to the live event and view the presentation slides via webcast on the IQVIA Investor Relations website at <http://ir.iqvia.com>. The discussion will also be available by dialing +1-800-786-0540 in the U.S. and Canada, or +1-212-231-2936 for international callers.

A replay of the webcast will be available later that day, following the conclusion of the live event. To access the webcast recording, visit <http://ir.iqvia.com>.

About IQVIA

IQVIA is a leading global provider of advanced analytics, technology solutions and contract research services to the life sciences industry. Formed through the merger of IMS Health and Quintiles, IQVIA applies human data science — leveraging the analytic rigor and clarity of data science to the ever-expanding scope of human science — to enable companies to reimagine and develop new approaches to clinical development and commercialization, speed innovation and accelerate improvements in healthcare outcomes. Powered by the IQVIA CORE™, IQVIA delivers unique and actionable insights at the intersection of large-scale analytics, transformative technology and extensive domain expertise, as well as execution capabilities. With more than 58,000 employees, IQVIA conducts operations in more than 100 countries.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing information on a scale that helps healthcare stakeholders identify disease patterns and correlate with the precise treatment path and therapy needed for better outcomes. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behaviors and scientific advances, in an effort to advance their path toward cures.
