IQVIA CFO Ron Bruehlman to Speak at the UBS Global Healthcare Conference on November 13, 2024

RESEARCH TRIANGLE PARK, N.C. – November 6, 2024 – IQVIA Holdings Inc. (“IQVIA”) (NYSE:IQV) announced today that Ron Bruehlman, executive vice president and chief financial officer, will speak at the UBS Healthcare Conference in Rancho Palos Verdes, California on Wednesday, November 13, 2024 at 1:15 p.m. ET.

A live audio webcast of the presentation will be available on the IQVIA Investor Relations website at <http://ir.iqvia.com>. A replay of the webcast will be available later that day.

About IQVIA

IQVIA (NYSE:IQV) is a leading global provider of clinical research services, commercial insights and healthcare intelligence to the life sciences and healthcare industries. IQVIA’s portfolio of solutions are powered by IQVIA Connected Intelligence™ to deliver actionable insights and services built on high-quality health data, Healthcare-grade AI™, advanced analytics, the latest technologies and extensive domain expertise. With approximately 88,000 employees in over 100 countries, including experts in healthcare, life sciences, data science, technology and operational excellence, IQVIA is dedicated to accelerating the development and commercialization of innovative medical treatments to help improve patient outcomes and population health worldwide.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing information on a scale that helps healthcare stakeholders identify disease patterns and correlate with the precise treatment path and therapy needed for better outcomes. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behaviors and scientific advances, in an effort to advance their path toward cures.
