IQVIA to announce fourth-quarter and full-year 2025 results on February 5, 2026

RESEARCH TRIANGLE PARK, N.C. – January 20, 2026 – IQVIA Holdings Inc. (“IQVIA”) (NYSE:IQV), a leading global provider of clinical research services, commercial insights and healthcare intelligence to the life sciences and healthcare industries, will announce its fourth-quarter and full-year 2025 financial results before the market opens on Thursday, February 5, 2026. The IQVIA management team will also host a conference call and webcast at 9:00 a.m. Eastern Time that same day. The earnings release and accompanying financial information will be posted on the IQVIA Investor Relations website at: <http://ir.iqvia.com>.

To listen to the event and view the presentation slides via webcast, join via the IQVIA Investor Relations website at: <http://ir.iqvia.com>. To participate in the conference call, interested parties must register in advance by registering on <http://ir.iqvia.com>. Following registration for the call, participants will receive a confirmation email containing details on how to join the conference call, including the dial-in and a unique passcode and registrant ID. At the time of the live event, registered participants can connect to the call using the information provided in the confirmation email and will be placed directly into the call.

A replay of the webcast will be available approximately two hours after the conclusion of the live event. To access the webcast recording, visit: <http://ir.iqvia.com>.

About IQVIA

IQVIA (NYSE:IQV) is a leading global provider of clinical research services, commercial insights and healthcare intelligence to the life sciences and healthcare industries. IQVIA’s portfolio of solutions are powered by IQVIA Connected Intelligence™ to deliver actionable insights and services built on high-quality health data, Healthcare-grade AI®, advanced analytics, the latest technologies and extensive domain expertise. IQVIA is committed to using AI responsibly, with AI-powered capabilities built on best-in-class approaches to privacy, regulatory compliance and patient safety, and delivering AI to the high standards of trust, scalability and precision demanded by the industry. With approximately 91,000 employees in over 100 countries, including experts in healthcare, life sciences, data science, technology and operational excellence, IQVIA is dedicated to accelerating the development and commercialization of innovative medical treatments to help improve patient outcomes and population health worldwide.

IQVIA is a global leader in protecting individual patient privacy. The company uses a wide variety of privacy-enhancing technologies and safeguards to protect individual privacy while generating and analyzing information on a scale that helps healthcare stakeholders identify disease patterns and correlate with the precise treatment path and therapy needed for better outcomes. IQVIA’s insights and execution capabilities help biotech, medical device and pharmaceutical companies, medical researchers, government agencies, payers and other healthcare stakeholders tap into a deeper understanding of diseases, human behaviors and scientific advances, in an effort to advance their path toward cures.
