## **IQVIA named to the *Fortune*® World's Most Admired Companies™ list, ranked No. 1 in its sector for fifth consecutive year**

**RESEARCH TRIANGLE PARK, N.C.** – January 22, 2026 – IQVIA (NYSE: IQV), a leading global provider of clinical research services, commercial insights and healthcare intelligence, was named No. 1 in its category on the 2026 *Fortune*® World's Most Admired Companies™ list.

This is the fifth year in a row IQVIA has earned first place in the Health Care: Pharmacy and Other Services category, and the ninth consecutive year it has appeared on the list. Notably, IQVIA earned first place in its category on seven of the nine key attributes evaluated — innovation, people management, use of corporate assets, financial soundness, long-term investment value, quality of products/services and global competitiveness.

“This recognition reflects the unwavering dedication and expertise of our employees worldwide. Their commitment to advancing innovation and improving global health supports the development of transformative medical treatments that enhance patient outcomes around the world,” said IQVIA Chairman and CEO Ari Bousbib. “We are deeply honored to once again be recognized as one of the *Fortune*® World's Most Admired Companies™.”

The *Fortune*® World's Most Admired Companies™ list is the definitive report card on corporate reputations. Since 1997, *Fortune*® has identified, selected and ranked the World's Most Admired Companies™, identifying the business practices that make these companies highly regarded among their peers.

### **Most Admired Company survey methodology**

The annual survey, conducted by *Fortune*® and Korn Ferry, a global organizational consulting firm, is given to top executives, directors and financial analysts, to identify the companies that enjoy the strongest reputations within their industries and across industries.

*Fortune*® and Korn Ferry analyzed 685 companies and surveyed more than 3,000 executives to measure reputation based on nine different attributes, including each firm's effectiveness in conducting business globally, its ability to attract, develop, and keep talent, its value as a long-term investment, its innovativeness, its wise use of corporate assets, and its responsibility to the community and environment.
