Zamba Solutions Receives Line of Credit From Silicon Valley Bank

Chicago, IL -- April 26, 2001 -- Silicon Valley Bank, a wholly owned subsidiary of Silicon Valley Bancshares, provided a $5 million working capital line of credit to ZAMBA Solutions.

ZAMBA Solutions offers customer relationship management (CRM) consulting and systems integration for Global 2000 organizations. Clients include Best Buy, Bell South, General Electric and more than 100 Global 2000 companies.

"This agreement significantly strengthens our financial position and provides us with additional working capital to support our growth strategy," said Michael Carrel, executive vice president and chief financial officer of ZAMBA.

"Silicon Valley Bank serves emerging growth companies that are positioned to become market leaders. ZAMBA Solutions is a recognized leader in providing integrated, strategic and comprehensive customer relationship management solutions," said Brent Donnell, manager of Silicon Valley Bank's Chicago office. "We were impressed by ZAMBA's high quality customer base and their history of successful CRM implementations. Additionally, we have a high level of confidence in management's ability to execute its growth strategy."

About ZAMBA Solutions

ZAMBA Solutions is a leading customer relationship management (CRM) consulting and systems integration company for Global 2000 organizations. One of the largest companies focused exclusively on CRM services, ZAMBA helps clients better anticipate, understand and respond to the needs of their current and potential customers through integrated, multi-channel solutions.
