LINKBANK's Linda McMullen to be Honored with State Community Banking Association's Lifetime Achievement Award

7/7/2021

Camp Hill, PA - LINKBANK is pleased to announce that Linda McMullen, recently retired Loan Documentations Manager and Compliance Manager, will be honored with a Lifetime Achievement Award presented by The Pennsylvania Association of Community Bankers (PACB).

Over the course of her decades long career, Linda has been with at least two banks as start-ups, established all documentation and letter of credit policies and procedures from the ground-up and assisted in building compliance programs at multiple banks.

Prior to her retirement in March 2021, Linda has helped thousands of customers and businesses by providing accurate and timely loan documentation. Her reach has gone much further than solely helping the banks build their balance sheets but has constantly gone above and beyond for clients, coworkers, and the community. Linda exemplifies LINKBANK's mission to positively impact lives through her genuine care for people. Serving as a mentor, coach and teacher for many, Linda always was willing to give her time to train others to assure they understood the entire documentation process.

"She never asked others to do something she was not willing to do herself. She lives and works with integrity. Linda's work ethic is unmatched, she was always up before the sun and often times in the office before the sun. She worked extremely hard and always with a smile and positive attitude. Because of her work ethic and kind nature, she earned the respect and admiration of hundreds of employees throughout her 40+year career. In addition to banking, she was active in her community especially with women's projects at her church." said

Tiffanie Horton, Chief Credit Officer.

Kicking off the Leadership Forum the next day for bank leaders, the dinner will be held July 19th as part of the Association's INSPIRE Awards Recognition Dinner. These events are a part of the PACB's "Celebration of Community Banking."
