About Intrusion Inc.

Intrusion Inc. is a cybersecurity company based in Plano, Texas. The Company offers its customers access to its exclusive threat intelligence database containing the historical data, known associations, and reputational behavior of over 8.5 billion IP addresses. After years of gathering global internet intelligence and working with government entities, the company released its first commercial product in 2021. Intrusion Shield allows businesses to incorporate a Zero Trust, reputation-based security solution into their existing infrastructure. Intrusion Shield observes traffic flow and instantly blocks known or unknown malicious connections from entering or exiting a network to help protect against zero-day and ransomware attacks. Incorporating Intrusion Shield into a network elevates an organization's overall security posture by enhancing the performance and decision-making of other solutions in its cybersecurity architecture.
