

Ford Motor Company to Host Capital Markets Day on May 26

DEARBORN, Mich., May 11, 2021 – Ford Motor Company will take the investment community deeper into the company’s plan to create value and generate deep loyalty through always-on customer relationships, lead the industry-wide electrification revolution in areas of strength, deliver connected vehicles and services – and, in the process, expand Ford’s industry-leading commercial-solutions business – when the company hosts its Capital Markets Day on Wednesday, May 26. The webcast will open at 9:15 a.m. EDT and the event will start promptly at 9:30 a.m. EDT.

In addition to making related presentations, Jim Farley, president and chief executive officer; John Lawler, chief financial officer; and other members of Ford’s executive leadership team will host a question-and-answer session with the analyst community.

The presentation and supporting material will be available at www.shareholder.ford.com.

###

About Ford Motor Company

Ford Motor Company (NYSE: F) is a global company based in Dearborn, Michigan. The company designs, manufactures, markets and services a full line of Ford trucks, utility vehicles, and cars – increasingly including electrified versions – and Lincoln luxury vehicles; provides financial services through Ford Motor Credit Company; and is pursuing leadership positions in electrification; mobility solutions, including self-driving services; and connected vehicle services. Ford employs approximately 186,000 people worldwide. For more information regarding Ford, its products and Ford Motor Credit Company, please visit corporate.ford.com.
