

**CHARTER OF THE  
TECHNOLOGY  
COMMITTEE  
OF THE BOARD OF DIRECTORS OF  
DEXCOM, INC.**

**As adopted March 5, 2021**

**I. PURPOSE**

The purpose of the Technology Committee (the “*Committee*”) is to assist the Board of Directors (the “*Board*”) of DexCom, Inc. (the “*Company*”) in reviewing technology development and to oversee and advise the Board on matters of innovation, new product development and technology, as well as to assist the Board in its oversight of the Company’s information technology internal controls, cybersecurity, business continuity and disaster recovery programs, and the guidelines, policies and processes for monitoring and mitigating information technology and cybersecurity risks.

**II. MEMBERSHIP**

The Committee will consist of three or more members of the Board, with the exact number being determined from time to time by the Board. Each member of the Committee will:

- be an “independent director” as defined in the applicable rules and regulations of The Nasdaq Stock Market, as amended from time to time (the “*Exchange Rules*”), except as may otherwise be permitted by such Exchange Rules;
- be free from any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member; and
- meet any other requirements imposed by applicable law, regulations or rules, subject to any applicable exemptions.

All members of the Committee will be appointed by, and will serve at the discretion of, the Board. The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”); if the Board does not appoint a Chair, the Committee members may designate a Chair by their majority vote. The Chair will set the agenda for Committee meetings and conduct the proceedings of those meetings.

**III. RESPONSIBILITIES AND DUTIES**

The principal responsibilities and duties of the Committee in serving the purpose outlined in Section I of this charter (the “*Charter*”) are set forth below. These duties are set forth as a guide, with the understanding that the Committee will carry them out in a manner that is appropriate given the Company’s needs and circumstances. The Committee may supplement them as appropriate and may establish policies and procedures from time to time that it deems necessary or advisable in fulfilling its responsibilities. The Committee will:

1. Review, evaluate and make recommendations to the Board regarding the Company's major technology plans and strategies, including its research and development activities, as well as, technical and market risks associated with product development and investment.
2. Assess existing and potential new advanced technology markets.

3. Monitor and evaluate future trends in technology that may affect the Company's strategic plans, including monitoring of overall industry trends.
4. Review the Company's research and development activities and product pipeline, and timelines for achievement of activities and pipeline.
5. Monitor the Company's progress against program objectives, including revenue, efficiency and product development targets.
6. Periodically, but at least four times per year, review cybersecurity, privacy, data protection and other major information technology risk exposures of the Company, the steps management has taken to monitor and control such exposures, and the Company's compliance with applicable information security and data protection laws and industry standards.
7. Review or discuss any comments or recommendations of outside experts with regard to cybersecurity and other major information technology risk exposures, and, if appropriate, approve a schedule for implementing any recommended changes and monitor compliance with such schedule.
8. Perform any other activities consistent with this Charter, the Company's Bylaws and governing law as the Committee or the Board deems necessary or appropriate.
9. Make such reports and recommendations to the Board and its committees as the Committee may consider necessary or appropriate and consistent with its purpose, and take such other actions and perform such other services as may be referred to it from time to time by the Board..

#### **IV. STUDIES AND ADVISERS**

The Committee, in discharging its responsibilities, may conduct or authorize studies of, or investigations into, any matter that the Committee deems appropriate, with full access to all books, records, facilities and personnel of the Company. The Committee has the sole authority and right, at the expense of the Company, to retain experts and advisers of its choice to assist the Committee in connection with its functions, including any studies or assessments.

#### **V. MEETINGS, ACTIONS WITHOUT A MEETING AND STAFF**

Meetings of the Committee will be held from time to time, as determined appropriate by the Committee at least four times per year. The Chair, in consultation with the other member(s) of the Committee, will set the dates, times and places of such meetings. The Chair or any other member of the Committee may call meetings of the Committee by notice in accordance with the Company's Bylaws. The Committee may also act by unanimous written consent in lieu of a meeting in accordance with the Company's Bylaws. Subject to the requirements of this Charter, applicable law, the Exchange Rules and the Commission Rules, the Committee and the Chair may invite any director, executive or employee of the Company, or such other person, as it deems appropriate in order to carry out its responsibilities, to attend and participate (in a non-voting capacity) in all or a portion of any Committee meeting. The Committee may exclude from all or a portion of its meetings any person it deems appropriate in order to carry out its responsibilities. The Chair will designate a secretary for each meeting, who need not be a member of the Committee. The Secretary of the Company will provide the Committee such staff support as it may require.

#### **VI. MINUTES AND REPORTS**

The Committee will maintain written minutes of its meetings, and copies of its actions by written consent, and will cause such minutes and copies of written consents to be filed with the minutes of the

meetings of the Board. The Chair will report to the Board from time to time with respect to the activities of the Committee, including on significant matters related to the Committee's responsibilities and the Committee's deliberations and actions. The minutes of the Committee and actions by written consent will be made available to the other members of the Board.

#### **VII. DELEGATION OF AUTHORITY**

The Committee may from time to time, as it deems appropriate and to the extent permitted under applicable law, the Exchange Rules and the Commission Rules, and the Company's Certificate of Incorporation and Bylaws, form and delegate authority to subcommittees.

#### **VIII. REVIEW OF COMMITTEE COMPOSITION, PERFORMANCE AND CHARTER**

The Committee will evaluate the Committee's composition and performance on an annual basis and submit a report to the Board. The Committee will also review and reassess the adequacy of this Charter periodically, and recommend to the Board any changes the Committee determines are appropriate.
