AUDIT COMMITTEE CHARTER

Adopted February 6, 2014 and effective as of
the closing of the Company's initial public offering

PURPOSE

The purpose of the Audit Committee of the Board of Directors (the “**Board**”) of A10 Networks, Inc. (the “**Company**”) shall be to:

- Provide oversight of the Company's accounting and financial reporting processes and the audit of the Company's financial statements;
- Assist the Board in oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditor's qualifications, independence and performance, and (iv) the Company's internal accounting and financial controls and (v) the organization and performance of the Company's internal audit function; and
- Provide to the Board such information and materials as it may deem necessary to make the Board aware of significant financial matters that require the attention of the Board.

In furtherance of these purposes, the Audit Committee will undertake those specific duties and responsibilities listed below, and such other duties as the Board may from time to time prescribe.

The Audit Committee's responsibility is one of oversight. The members of the Audit Committee are not employees of the Company, and they do not perform, or represent that they perform, the functions of management or the independent auditors. The Audit Committee relies on the expertise and knowledge of management, the internal auditor and the independent registered accounting firm in carrying out its oversight responsibilities. The management of the Company is responsible for preparing accurate and complete financial statements in accordance with generally accepted accounting principles and for establishing and maintaining appropriate accounting principles and financial reporting policies and satisfactory internal control over financial reporting. The independent registered accounting firm is responsible for auditing the Company's annual consolidated financial statements and the effectiveness of the Company's internal control over financial reporting and reviewing the Company's quarterly financial statements. It is not the responsibility of the Audit Committee to prepare or certify the Company's financial statements or guarantee the audits or reports of the independent auditors, nor is it the duty of the Audit Committee to certify that the independent auditor is “independent” under applicable rules. These are the fundamental responsibilities of management and the independent auditors.

MEMBERSHIP

The Audit Committee members shall be appointed by, and shall serve at the discretion of, the Board. The Audit Committee shall consist of at least three members of the Board. The Board may designate one member of the Audit Committee as its chair. The Audit Committee may form and delegate authority to subcommittees when

appropriate. Members of the Audit Committee must meet the following criteria (as well as any criteria required by the SEC); *provided, however*, that the Company may avail of itself of any phase-in rules applicable to newly-listed companies in connection with an initial public offering:

- Each member will be an independent director in accordance with (i) the rules of the New York Stock Exchange (the “**NYSE Rules**”) and (ii) the rules of the SEC;
- Each member will be able to read and understand fundamental financial statements, in accordance with the Audit Committee requirements of the NYSE Rules;
- At least one member will have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background, including a current or past position as a principal financial officer or other senior officer with financial oversight responsibilities;
- No member of the committee may have participated in the preparation of the financial statements of the Company or any of the Company’s current subsidiaries at any time during the past three years; and
- At least one member will be an “audit committee financial expert” as defined in the rules of the Securities and Exchange Commission (the “**SEC**”).
