Notes to Editors:-

1 The Acal Group is a leading European, value-added distributor providing specialist design-in, sales and marketing services for international suppliers in the fields of Electronic Components, Information Technology Products, IT Parts Services and Industrial Controls. Its value-added philosophy and geographic coverage enables Acal to provide specialist knowledge and support to customers on a pan-European basis.

2 Design-in is the process by which Acal's sales engineers work with customers and suppliers to procure components which meet the specific technical and performance needs of the customers.

3 Acal has operating companies in the UK, Netherlands, Belgium, Germany, France, Italy, Spain, Scandinavia and the USA.
