Notes to Editors:

1 The Acal Group is a leading European technology based distributor providing specialist design-in, sales, marketing and other services at present through three divisions: Electronics, Parts Services and IT Solutions. Its value-added philosophy and geographic coverage enables Acal to provide specialist knowledge and support to customers on a pan-European basis.

2 Design-in is the process by which Acal's sales engineers work with customers and suppliers to procure components which meet the specific technical and performance needs of the customers.

3 Acal has operating companies in the UK, Netherlands, Belgium, Germany, France, Italy, Spain and Scandinavia. Westech Electronics, an associated company, is based in Singapore and covers the Far East region.
