Notes to Editors:

Acal is a leading value-added distributor providing specialist design-in, sales and marketing services for international suppliers in the fields of Electronic Components and Medical and Scientific products. In addition, the Supply Chain Division provides parts and services for the IT industry. Founded in 1986 Acal has, through a combination of acquisition and organic growth, developed into a major player in these product groupings.

Organised into three Divisions based around the above activities, Acal has 16 principal trading companies of which 8 are in Continental Europe and 8 in the United Kingdom.
